Only a Short Session Held Today—Roosevelt
Followers Make it Plain They are
Ready to Bolt

[By Associated Press.]

Chicago, June 20.—After a four minute session the convention recessed until 4 o'clock.

Morning Devoted to Compromise Talk.
[By Associated Press.]

Chicago, June 20.—Practically all the talk of a compromise candidate came from the Roosevelt followers. There was evidence early today of nearly a complete disintegration of the Roosevelt forces. They appeared to be fighting desperately. The conference of last night convinced the Roosevelt leaders that comparatively few would desert the republican party.

A serious dissent exists in the Roosevelt camp. Many were frank in the declaration that the colonel acted too hastily in coming to Chicago and in precipitating the bolt from the credentials committee last night. It is stated there is liable to be a material modification of the Roosevelt program today. The Roosevelt conservatives hope the convention, when it meets at noon, would adjourn until 4 p. m.

The Roosevelt followers in nearly all the state delegations are busy with compromise talk. Most of the New York delegation were busy until 4 o'clock this morning, and it is said that Lucien Littaur, an ardent Roosevelt man, had helped in the plan of starting a boom for Hughes. The Roosevelt forces are a little fearful as to how the Taft people would receive a compromise proposition. There was also talk that some of the Taft followers are satisfied with having defeated Roosevelt and would take a man who had some chance of bringing the factions together.

Francis J. Heney said: "The fight against the thieves has just begun."

Roosevelt Releases Delegates.

[By Associated Press.]

Chicago, June 20.—At 10:30 o'clock this morning Colonel Roosevelt released his delegates from all obligations to support him. He will not withdraw from the fight.

Denied Roosevelt Released Delegates.
Ex-Governor Regis H. Post of Porto

Rico announced that Colonel Roosevelt had released his delegates. In half an hour after the statement by Post, O. K. Davis from the Roosevelt headquarters announced:

"Colonel Roosevelt authorizes me to say that any statement that he has released his delegates is absolutely untrue."

Some proceeded on the theory that Post's statement was correct.

Temporary Organization To Be Made Permanent.

By a vote of 22 to 7, the permanent organization committee voted to make the temporary organization permanent. This would continue Elihu Root chairman throughout the convention.

Flynn Bolts Organization.

William Flynn, the new Pennsylvania national committeeman, today confirmed the report that he had left the regular republican organization after an all-night conference with the Roosevelt leaders. "I'm done with that committee," said H. G. Wasson, a Flynn lieutenant who was chosen as his successor.

Credentials Committee Revives Bolt Talk.

The Roosevelt members of the credentials committee unexpectedly appeared to take part in the proceedings of that body when the committee met this morning. Last night all except one Roosevelt member left this committee meeting, precipitating bolt rumors.

Roosevelt Delegates Returned to Committee.

The Roosevelt followers returned to the credentials committee at the colonel's suggestion. One hour and a half was consumed in presenting Roosevelt's side of the Ninth Alabama district contest. There is little chance to conclude the contest hearings in time to make a report today.

Senator Dixon Talks Bolt.

After a conference with Colonel Roosevelt, Senator Dixon said: "We will not recognize the legality of the so-called republican convention

Why White Swan Mattresses Are Healthful

(Made by the Tom Burnett Company, Dallas, Texas.)
